

Dealer Water Heater Rebate Application

1. Water heater vendors and plumbing contractors possessing a valid State of Illinois plumbing license who sell **and** install electric water heaters to customers meeting all the eligibility criteria of the CWLP Water Heater Rebate Program can earn a rebate of \$25 per unit for up to two simultaneous installations per address.
2. This rebate offer applies to qualifying units installed after September 1, 2005.
3. Following installation, use this application form to provide the name of the customer, the installation address and the number of qualifying units installed at this address.
4. Return the application to the CWLP Energy Services Office (2nd Floor, 231 S. 6th St., Street, Springfield, IL 62701).
5. You may use this form to apply for rebates on installations made for multiple customers at multiple locations.
6. If corresponding customer rebate applications are not received by CWLP within a reasonable time following your application, you may be required to provide additional documentation regarding these installations before your application can be processed.
7. If you have questions, call the CWLP Energy Services Office at 789-2070 or email nrgxperts@cwlp.com. A complete explanation of customer and vendor program eligibility rules can be found on our website at www.cwlp.com (click on the "Energy Services" navigation button).
