CWLP COMMUNITY ENERGY MEETING WEDNESDAY

City Water, Light and Power's next Community Energy Forum will be held on Wednesday, October 19th from 6 p.m. to 8 p.m. The Energy Forum will include announcements on new programs for business customers, including one for heat pump rebates and another for water conservation. CWLP representatives will also provide updates on the status of other energy efficiency and water conservation programs, as well as an opportunity for public comment at this meeting.

The meeting will be held at Illinois National Bank's Downtown Conference Center at Fourth and Jackson Streets. Cookies and refreshments will be served. Public participation is encouraged to help CWLP develop the most effective and practical programs for its customers. CWLP customers wanting more information on this forum may call 789-2070.
