CWLP WATER WORK ON NORTH EIGHTH BEGINNING MONDAY

On Monday, February 6th, a City Water, Light and Power Water Department crew is scheduled to begin installation of a water service, fire hydrant and fire line connection to 1135 N. Ninth Street. The work will require a lane closure for north-bound thru traffic along N. Eighth Street between Bergen Street and North Grand Avenue.

CWLP's portion of the work is expected to last through Wednesday with Public Works' road surface repairs to follow. Motorists are encouraged to slow down and be aware of workers and equipment near the pavement and this work area. This work will be rescheduled in the event of inclement weather.
