NB SPRING STREET DETOUR STARTING MONDAY

On Monday, December 12th, a City Water, Light and Power Water Department contractor is scheduled to begin a fire line installation for a new service on Spring Street between Scarritt and Canedy Streets. This work will require a street opening and the closure of north-bound traffic on Spring Street near the Scarritt Street intersection. On-street parking will not be permitted in this area during work.

Motorists are encouraged to slow down and be aware of workers and equipment near the pavement and this work area. This work will be rescheduled in the event of inclement weather.
