WATER OUTAGE PLANNED FOR 17 CUSTOMERS

Tomorrow morning, Thursday, July 22, beginning around 8 a.m., 17 City Water, Light & Power water customers will be without service while crews replace a broken six-inch water main valve at the intersection of Eighth and Allen Streets. Customers affected include those on Allen Street between Seventh and Ninth Streets as well as those on Ninth Street between Allen and Clay Streets. Service is expected to be restored by noon that day.

This work is weather dependant and will be rescheduled in the event of inclement weather. The water outage will take place in the morning hours and is expected to last 3-4 hours barring any unforeseen complications.
