## **500-BLOCK OF S. MACARTHUR DETOURED THURSDAY**

On Thursday, August 25, north-bound traffic in the 500-block of S. MacArthur Boulevard between Edwards and Governor Streets will be detoured while a City Water, Light and Power Water Department crew abandons a leaking water service.

The detour will be in place for north-bound motorists at Edwards Street directing them to Walnut and Monroe Streets before proceeding north again. These lanes will remain closed until surface pavement repairs can be completed.

Work will be delayed in the event of inclement weather. Motorists are encouraged to use alternate routes during this lane closure.
