

## **2023 Lake Springfield Watercraft Registration Update Effective March 10, 2023**

Effective March 10, 2023, motorized surf boards, known as E-Foils or LiftFoils, are not permitted as a personal watercraft (PWC) to operate, nor to be provided for training or rental on Lake Springfield for the public safety of all lake recreational users and the operators themselves.

The City of Springfield and City Water, Light & Power have reviewed information on these PWC and find them not practicable for operation on Lake Springfield.

All Watercraft License Registrations for such PWC will not be accepted and will be denied approval for licensure if presented.

Under Section 96.004 and 96.039(b)(18) of the City of Springfield Code of Ordinances, the City has the authority to establish rules and regulations to prohibit any watercraft from operation in the reservoir in the interest of public health and safety. <https://library.municode.com/il/springfield>
