

Office of Human Resources
City of Springfield, Illinois

James O. Langfelder, Mayor
James D. Kuizin, Director

CITY OF SPRINGFIELD
is seeking applicants for

ENGINEERS

The Office of Public Utilities, Water Engineering Division is seeking an individual to perform civil engineering work with independent responsibility for the completion of assignments within well-defined scope and complexity in connection with the investigation, layout, design, installation, maintenance, operation, and GIS records of the water distribution and transmission system. This position requires knowledge, skill and mental development equivalent to completion of a Bachelor's degree in engineering from a four (4) year ABET (Accreditation Board for Engineering and Technology) accredited college and be eligible for the Engineering Training exam in the State of Illinois. Field construction background and surveying experience desirable. Illinois EIT highly desired and P.E. registration preferred. A valid Class D driver's license is also required. **Current employees (where applicable) and persons hired or rehired after 1-1-17 shall maintain their bona fide residence within the corporate limits of the city during all periods of service. Newly hired or rehired employees have 12 months from date of hire to establish city residency.**

This position is covered by IBEW Local #193

Salary commensurate with qualifications and experience
